

DZ10010-ES**TECHNICAL PARAMETERI**

Dimension $\Phi 70\text{mm} \times 65\text{mm}$

Water depth 50m

Resolution 2MP/3MP/4MP/5MP

Lens 2.8mm

F.OV 140°

Sensor 1/2.7" OV CMOS

Illumination Color 0.01Lux F1.2

Dimness 10 level

Housing 316L

SDK Second Development

Cable 20 m

Power supply 10m DC12V/POE

Above 10m DC24V/POE

Option Built-in temperature sensor

Option Electrical focus lens

Net weight 1.5kg

Andre kabellengder kan leveres

152-965 Undervanns IP kamera 20 m kabel

A:How to connect camera with the computer or the NVR?

Q: Please reference the manual instruction

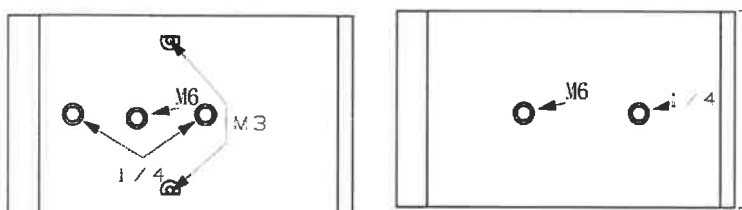

Visit the video:

<https://youtu.be/ZAv9THXpgS4>

<https://youtu.be/tqozhGQii0g>
